

How you want to be treated.

BC Adult Cochlear Implant Program

Candidates for Cochlear Implant Surgery

It has been determined that you have met the audiologic criteria for a cochlear implant. The next step will be for you to have a medical doctor refer you to see Dr. Brian Westerberg or Dr. Jane Lea, Cochlear Implant surgeons, who will complete the medical/surgical candidacy assessment. **Their secretary will only be in contact with you after the referral is received.**
